

STAGE / BACKSTAGE / HOSPITALITY RIDER

P.A. mixer / technician:

Unless agreed otherwise, the venue provides a stage mixer, sound technician and lighting technician.

Backline:

Embraced by Darkness always uses its own guitar and bass amplifiers, as well as the usual drum necessities.

- Unless agreed otherwise, Embraced by Darkness will bring its own backline as indicated in a beforehand agreement.
- In case of a shared backline, the organizer provides a complete specification of the backline, not later than seven (7) days before the event.

Soundcheck:

If Embraced by Darkness performs a soundcheck, the time will be agreed in advance or on the spot, but not later than one (1) hour before the venue is open to the public. If there is no soundcheck, the band will do a line-check immediately after the conversion prior to the performance.

Backdrop:

Embraced by Darkness uses a backdrop of 3x2 meters or 4x3 meters, depending on the stage/venue size. The placement will be done in consultation with the stage manager. The band also have 2 side banners 1x2 meters (to be put in front of the amps)
